

I know we pay you for your services, but it sure is nice to know we found someone that not only knows what he's doing, but is very good at what he does. I would just like to thank you for everything you have done for Walt. Most of all I would like to thank you & your Sec. for your kindness.

I hope that "this time" Walt has finally learned to go by the rules & regulations we all have to obey in order to have our freedom. Most of all I hope Walt has learned to remember & appreciate all the things around him that he & a lot of us take for granted. Things like, sunshine warming the back of your neck, good food, sleeping in a comfortable King size bed under clean sheets, & doors that you can go in & out of by your own choice.

One day I hope it sinks in to Walt's head, but a story I love to share with kids is about an old tribe leader at the end of his life. He was asked to describe his inner struggles. He said: "There are 2 dogs inside of me. One of them is good & the other one is evil. The evil dog fights with the good dog all the time." Someone ask him: "Which dog usually wins?" After moments of reflection he answered: "The one I feed the most." - I hope Walt begins to feed the "good dog" from now on.

Thanks so much for all you have done for Walt. Most of all thank you & your staff for your kindness. God bless Donna Nixon
